

A Selection of Camino Resources: the 2019 Edition

Guidebooks

There are dozens of guidebooks for the Caminos; these are among the most popular. Prices are approximate and pulled from multiple sources. Books may be purchased through brick and mortar or online bookshops (physical stores will special order) though prices may differ. Several are available at the Camino Forum Shop

<https://www.santiagodecompostela.me/collections/guide-books> or through The Confraternity of Saint James
<https://www.csj.org.uk/shop/>.

Camino Guides - <https://www.caminoguides.com/>

John Brierley's publishes his iconic guides through Camino Guides. Presumably they are the most recent editions but that information is not given. There are currently five titles. Other places to purchase include the Forum and Confraternity listed above. Also listed on amazon.ca; search for "john brierley camino guides" though editions may not be current.
